# Visiting Waterloo Braces Appointments

---

**1. Waterloo Station** – walking time to Whites Dental – 10 min – moderate pace.

**Key Lines:**

- **Bakerloo Line**
- **Jubilee Line**
- **Northern Line**
- **Waterloo & City Line**
- **National Rail services** (including South Western Railway for regional connections).

**For Busy Travelers:** Waterloo Station is one of London's busiest transport hubs, providing easy access to central London and beyond. Make the most of your time between connections—our Whites Dental Waterloo clinic on Blackfriars Road is just a short walk away.

**Key Lines Serving These Routes:**

- South Western Railway (SWR): Includes services to Clapham Junction, Woking, Guildford, and Basingstoke.
- Jubilee Line: Fast access to Canary Wharf, London Bridge, and Stratford.
- Northern Line: Connects to key destinations like Leicester Square, Euston, and Camden.

Waterloo's central location makes it an ideal spot for both daily commuters and visitors. Stretch your legs and book a visit to our established clinic in Waterloo – we have a friendly team to advise you on every aspect of getting braces in London.

---

**2. Elephant and Castle Station** – 15 min walk – moderate pace.

**Excellent Connectivity:**

- **Bakerloo Line**
- **Northern Line**
- **Thameslink (National Rail)**

These lines connect commuters to central London, South London, and beyond, making Elephant and Castle a major transport hub for both residents and visitors.

**Avoiding Crowds:** Elephant and Castle is less hectic compared to stations like Waterloo or London Bridge, making it a great alternative for accessing central London.

**Efficient Access to South London:**

- Thameslink Services: Connects Elephant and Castle to Blackfriars, Farringdon, and St Pancras.
- Northern Line: Offers direct access to Borough, London Bridge, and Bank.

**Convenient for Residents:**

The station serves a diverse local community and is surrounded by restaurants, shops, and businesses. For residents of Southwark and Lambeth, Whites Dental Waterloo offers convenient online booking and same-day appointments.

---

**3. Borough Station** – 14 min walk – moderate pace.

**Key Lines:**

- **Northern Line**

Borough Station offers direct connections to London Bridge, Bank, and Moorgate, making it ideal for commuters and city professionals.

**Convenient for Residents:**

The station serves the Borough area, known for its vibrant market, historic landmarks, and trendy eateries. Many of our patients enjoy combining their dental visits with a stroll through Borough Market or along the South Bank.

**For Busy Professionals:**

Whites Dental Waterloo's proximity to Borough Station makes it easy to fit in dental appointments during a lunch break or after work. With same-day availability, we're here to help you stay on top of your oral health.

---

**4. Southwark Station** – 3 min walk – moderate pace.

**Key Lines:**

- **Jubilee Line**

Southwark Station is one of the most convenient options for reaching Whites Dental Waterloo, offering quick connections to London Bridge, Canary Wharf, and Stratford.

**Efficient Access for Cyclists:**

With nearby Santander Cycles docking stations, Southwark Station is ideal for those who prefer to cycle to their appointments.
